At our "Giving" Party we'll be making boxes filled with birthday surprises for children whose parents can't afford to give them a birthday celebration. We ask that you bring:

- ❖ One box of cake mix
- ❖ One can of frosting
- ❖ One package of candles
- ❖ If you have it, please also consider bringing a gently used party dress/outfit for any aged child!

After our birthday boxes are finished, our family will ship them to children in an impoverished American community. To learn more about the philosophy behind "Giving" parties, visit www.family-to-family.org
